1,"I agree with 90% of what you are saying, Helena (difference around patriarchy itself), but my experience when I talk with friends who shop at amazon, walmart, et. al., there is always the ""but....."" people are SO locked into the propoganda system in the u.s., primarily television. so they are fed lies. how to get around this?",Marie Long,yosemitemarie@gmail.com,,06/10/2023 11:47:24,,

2,"Pat, how do we join you?",Marie Long,yosemitemarie@gmail.com,,06/10/2023 11:52:08,,

3,"Beautiful !!! Helena and Pat – you have restored my spirit. I have more a comment than a question for Helena. It comes from my experience as a former finance profesional and the information flow I still get as a business school alumna. Often I hear activists refering to corporate interests. I remember, as you may, the popular book from the 1980's Global Reach. I would like to point out that the term corporation is somewhat dated and does not capture the more accelerated, more efficient extraction accomplished by private equity firms. In private equity, there is not even the limited transparency of business' operations that hapens with publically traded corporations. Accountability of private equity funded businesses seems almost impossible. We need to reverse this

I did find my way out of the MBA culture, to be able to understand and agree with and treasure what the Maternal Gift Economy is. But I am looking for ways to deescalate the market economy, and a clear view of its reality is necessary",Virginia Barker,v.barker@att.net,,06/10/2023 12:10:28,,

4,"Could you include on the Maternal Gift Economy website, a way to watch Helena's documentary?",Shana Deane,Shanadeane77@gmail.com,You can find out to watch it on her website <https://www.localfutures.org>,06/10/2023 12:16:03,06/10/2023 12:50:04,Letecia Layson,maternalgifteconomy@gmail.com

6,"Thanks to both presenters for their analysis and insights – particularly in relation to understanding the Big Picture and that we need a Transition.

My questions are:

How do we understand the distinction between what corporations name “sustainable” and “regenerative” and genuine expression of these

practices?

And, how to distinguish between those who want us to return to a 'traditional' past which is based on patriarchal control of women and one grounded in matriarchal values of nurturing?",Peggy Antrobus,peggyantrobus21@gmail.com,,06/10/2023 12:20:26,,
